AKRON CITY COUNCIL

Requested By Department of Public Service

Offered By MOSLEY

RESOLUTION NO. 103-2022 declaring it necessary to improve certain streets in the City, between certain termini, by providing street-cleaning services and street lighting; and declaring an emergency.

BE IT RESOLVED by the Council of the City of Akron, three-fourths of all members elected or appointed thereto concurring that:

Section 1. It is necessary to improve certain streets in the City, between certain termini, by providing street-cleaning services for the calendar year 2022 (the "Street-Cleaning Improvement") and street lighting services for the calendar year 2022 (the "Street Lighting Improvement," and together with the Street-Cleaning Improvement, collectively the "Improvement"). The streets to be improved by the Street-Cleaning Improvement are those listed on Report MT-300 (the "Street-Cleaning List") on file with the office of the Clerk of this Council, and they are to be improved between the termini set forth on the Street-Cleaning List. The Streets to be improved by the Street Lighting Improvement are those listed on Report MT-301 (the "Street Lighting List") on file with the office of the Clerk of this Council, and they are to be improved between the termini set forth on the Street Lighting List.

Section 2. This Council approves the plans, specifications and profiles of the Improvement and the cost estimate of the Improvement, prepared by the City Engineer and now on file in the office of the Clerk of this Council. The Improvement will be made in accordance with, and the grade of the streets of the Improvement will be the grade, as shown on, the plans, specifications and profiles for the Improvement.

Section 3. This Council finds and determines the following:

- (a) The Improvement is conducive to the public health, convenience and welfare of this City and its inhabitants.
- (b) The lots and lands to be assessed as described in Section 4 of this resolution are specially benefited by the Improvement.
- (c) (i) The streets to be improved by the Street-Cleaning Improvement are situated in relation to each other that, to complete the Street-Cleaning Improvement in the most practical and economical manner, they should be improved at the same time, with the same kind of materials and in the same manner. Accordingly, they will be treated as a single improvement and may be included in the same legislation and contract.

- (ii) The streets to be improved by the Street Lighting Improvement are situated in relation to each other that, to complete the Street Lighting Improvement in the most practical and economical manner, they should be improved at the same time, with the same kind of materials and in the same manner. Accordingly, they will be treated as a single improvement and may be included in the same legislation and contract

Section 4. The costs of the Improvement shall be paid as follows:

(a) The cost of the Street-Cleaning Improvement shall be paid as follows:

- (i) The City will pay a portion of the cost of the Street-Cleaning Improvement equal to two percent of the total cost of the Street-Cleaning Improvement, plus the cost of intersections.
- (ii) The balance of the cost of the Street-Cleaning Improvement, as determined by the City Engineer, will be assessed as follows:
 - (1) by the front foot of the property bounding and abutting on the Street-Cleaning Improvement between the termini set forth on the Street-Cleaning List, except for those lots and lands described on Exhibit A; and
 - (2) in proportion to the benefits that may result from the Street-Cleaning Improvement upon the lots and lands described on Exhibit A.

(b) The cost of the Street Lighting Improvement shall be paid as follows:

- (i) The City will pay a portion of the cost of the Street Lighting Improvement equal to two percent of the total cost of the Street Lighting Improvement, plus the cost of intersections.
- (ii) The balance of the cost of the Street Lighting Improvement, as determined by the City Engineer, will be assessed as follows:
 - (1) by the front foot of the property bounding and abutting on the Street Lighting Improvement between the termini set forth on the Street Lighting List, except for those lots and lands described on Exhibit B; and
 - (2) in proportion to the benefits that may result from the Street Lighting Improvement upon the lots and lands described on Exhibit B.

Section 5.

- (a) The cost of the Street-Cleaning Improvement will include the cost of preliminary and other surveys, plans, specifications, profiles and estimates and of printing, serving and publishing notices, resolutions and ordinances; the amount of damages resulting from the Street-Cleaning Improvement assessed in favor of any owner of land affected by the Street-Cleaning Improvement and the interest on those damage amounts; the costs incurred in connection with the preparation, levy and collection of the special assessments; the cost of purchasing, appropriating and otherwise acquiring any real estate or interests in real estate required for the Street-Cleaning Improvement; the costs of legal services, including obtaining an approving legal opinion; the cost of labor and material; and interest on securities issued in anticipation of the levy and collection of the special assessments; together with all other necessary expenditures.
- (b) The cost of the Street Lighting Improvement will include the cost of preliminary and other surveys, plans, specifications, profiles and estimates and of printing, serving and publishing notices, resolutions and ordinances; the amount of damages resulting from the Street Lighting Improvement assessed in favor of any owner of land affected by the Lighting Improvement and the interest on those damage amounts; the costs incurred in connection with the preparation, levy and collection of the special assessments; the cost of purchasing, appropriating and otherwise acquiring any real estate or interests in real estate required for the Street Lighting Improvement; the costs of legal services, including obtaining an approving legal opinion; the cost of labor and material; and interest on securities issued in anticipation of the levy and collection of the special assessments; together with all other necessary expenditures.

Section 6. This Council authorizes and directs the City Assessor to prepare and to maintain on file in her office as a Deputy Clerk of this Council the estimated special assessments of the costs of the Improvement described in this resolution. Those estimated special assessments must be based upon the estimate of cost of the Improvement now on file in the office of the Clerk of this Council and must be prepared in accordance with this resolution. When the estimated special assessments have been prepared and filed by the City Assessor, notice of this resolution and the filing of the estimated special assessments will be served in the manner provided by law, including Section 53.03(C) of the Code of Ordinances of the City, on the owners of all lots and lands to be assessed.

Section 7. If one or more written objections to the estimated special assessments are timely filed by owners of lots and lands to be assessed, this Council establishes an Assessment Equalization Board. The Assessment Equalization Board must hear and determine those objections and equalize the special assessments as it thinks proper to conform to the standards prescribed in this resolution. The Assessment Equalization Board must conduct its proceedings in accordance with law, including Section 53.03, Codified Ordinances, and in accordance with this resolution.

In accordance with Section 53.03, Codified Ordinances, this Council authorizes and directs the Clerk of Council to do all of the following;

- (a) Select one person from the Assessment Equalization Board Member List to act as a member of the Assessment Equalization Board for the Improvement together with the other four members required by Section 53.03(D), Codified Ordinances.
- (b) Establish the time and place for the first meeting of the Assessment Equalization Board within the following limits: (1) the time may be no later than 30 days after the period for filing written objections has ended, and (2) the place must be the Council Chambers, Municipal Building, Akron, Ohio, unless the Council Chambers are unavailable, in which case the Clerk may select another location.
- (c) Send a notice of the hearing, at least five days prior to the first meeting of the Assessment Equalization Board, by certified mail to all persons who filed timely written objections.

The members of the Assessment Equalization Board (other than City officials) will each receive the amount of \$35 as full compensation for their services as members of the Assessment Equalization Board for the Improvement. That payment will be made from the Special Assessment Fund, as determined by the Director of Finance.

Section 8. Any special assessment for the Improvement may be levied and collected before the Improvement is commenced or completed. The special assessment for the Improvement must be paid in two semiannual payments, representing one annual installment, with interest on the unpaid principal amount of each special assessment at the rate borne by any securities issued in anticipation of the collection of the unpaid special assessments.

Section 9. Securities of the City may be issued in anticipation of the collection of the special assessments to be collected in installments, in an amount equal to those assessments. The remainder of the whole cost of the Improvement, after application of the proceeds of those securities and the special assessments, will be paid from other funds appropriated by Council for the purpose.

Section 10. This Council directs the Clerk of Council to deliver a certified copy of this resolution to the County Fiscal Officer.

Section 11. This Council finds and determines that all formal actions of this Council relating to the adoption of this resolution were taken in an open meeting of this Council and that all deliberations of this Council and of any of its committees that resulted in those formal actions were in meetings open to the public in compliance with the law.

Section 12. This resolution is declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety of the City, and for the further reason that the immediate effectiveness of this resolution is required to provide for the Improvement which is necessary to eliminate existing hazards to vehicular and pedestrian traffic and the health and property of the residents of the City, and provided this resolution receives the affirmative vote of two-thirds of the members elected or appointed to Council, it shall take effect and be in force

immediately upon its adoption and approval by the Mayor; otherwise, it shall take effect and be in full force at the earliest period allowed by law.

RE: **Request for Legislation**
2022 City of Akron Street Lighting/Street Cleaning Assessments

Please prepare the necessary legislation for the Resolution of Necessity providing for the public improvement of providing street lighting services and street cleaning services and levying special assessments to the properties benefitting therefrom.

Enclosed is a Uniform Council Report with cost estimate, service classifications and specifications for street lighting/street cleaning and the proposed rates for street lighting and street cleaning. The MT 300 and MT 301 Reports are on file with the Clerk of Council.

The enclosed assessment rates reflect **NO INCREASE** in rates from 2021. These rates **REMAIN UNCHANGED SINCE 2014.**

We would like to introduce this legislation to council no later than Monday April 18, 2022 in order to certify first half assessments for 2022 by July.

If you need any further information or have any questions, please let me know.

Jim Hall, P.E., Acting Manager
Bureau of Public Works

**CITY OF AKRON, OHIO
UNIFORM CITY COUNCIL REPORT**

PART I

Subject/Project	2022 City of Akron Street Lighting/Street Cleaning Special Assessments		
Department of Origin	Public Service	Date:	3/31/2022
Bureau of Origin	Public Works		
Division of Origin	Administration		
Fact Sheet Prepared By	Jim Hall, P.E. (x2834)	Date:	3/31/2022

FINANCIAL DATA:

		<u>Current Estimate of Costs</u>	
Current Request	Source		Amount
	SA		\$24,475,126
	Street Cleaning/Street Lighting		\$3,398,923
Total Project			\$27,874,049

PART II

Purpose of Legislation:

To declare it necessary to improve certain streets by providing Street Lighting services and Street Cleaning services and to levy special assessments to benefitting properties therefrom.

We propose **NO INCREASE** in rates from 2021. These rates remain **UNCHANGED SINCE 2014**.

Impact of Objective of the Legislation:

To allow the City to provide Street Lighting Services and Street Cleaning Services for City of Akron streets and limits as listed in the MT300 and MT 301 reports. Street Lighting Services include Ohio Edison's contract price for providing street lighting, lighting improvements and extensions of service and for the Engineering of improvements, maintenance of lighting and administration thereof. Street Cleaning Services including cleaning, sprinkling, sweeping, removing snow, ice, leaves, dead animals and other debris, and other services performed in maintaining the streets and public property in a safe and sanitary condition and administration thereof as well as providing funding assistance for Keep Akron Beautiful. City's share of costs includes 5.5% of total costs for intersections, 2% of non-intersection costs, and 9.5% of estimated assessments for delinquencies and Assessor's costs.

Alternative(s):

None.

Earlier Legislation on this Subject:

R-080-2022	Adopting an annual operating budget for 2022
O-081-2022	Annual appropriations for current expenses, other expenses and capital outlay 2022
R-096-2021	2021 Street Cleaning – Street Lighting Resolution of Necessity
O-184-2021	2021 Street Cleaning – Street Lighting Accepting Equalization Board Report/Notice to Proceed

Additional Remarks:

None.

April 1, 2022

Akron City Council
166 South High Street, Suite 300
Akron, Ohio 44308

Dear City of Akron Council Members:

We respectfully submit herewith an estimate of the total cost for the proposed improvements by providing street lighting services and street cleaning services for the 2022 calendar year on the dedicated streets in the City of Akron, Ohio as set forth in your proposed Resolution and in accordance with the limits as stated in Reports MT300 and MT 301 on file with the Clerk of Council.

Street Lighting Services include Ohio Edison's contract price for providing street lighting, lighting improvements and extensions of service and for the Engineering of improvements, maintenance of lighting and administration thereof. Street Cleaning Services including cleaning, sprinkling, sweeping, removing snow, ice, leaves, dead animals and other debris, and other services performed in maintaining the streets and public property in a safe and sanitary condition and administration thereof.

We propose **NO INCREASE** in rates from 2021. These rates remain **UNCHANGED SINCE 2014**.

2022 Estimated Costs for providing Street Lighting and Street Cleaning Services

Wages/Benefits (O-81-2022 – Section 6)	\$5,030,053
Other Expenditures (O-81-2021 – Section 6)	\$22,843,996
Total Estimated Cost of Services (O-81-2021 – Section 6)	\$27,874,049
Less intersection costs (5.5% of total costs)	-\$1,533,073
Less City's share (2% of non-intersection costs)	-\$526,820
Less Delinquency/Assessor Cost (9.5% Estimated Assessments)	-\$1,339,030
Total Estimated Property Owners' Share	\$24,475,126

Sincerely,

Jim Hall, P.E., Acting Manager
Bureau of Public Works

Travis Capper, P.E., City Engineer
Engineering Bureau

**CITY OF AKRON, OHIO
STREET CLEANING ASSESSMENT CLASSIFICATIONS
2022**

The plans and specifications for the public improvement by providing street cleaning services for 2020 is summarized below.

<u>CLASS</u>	<u>DESCRIPTION OF CLASSIFICATION AND SERVICE</u>
10	<u>Downtown District With Special Services</u> Service streets and clean sidewalks five (5) times each week. Flush walks as needed
11	<u>Downtown Transit Way With Snow and Ice Services</u> Service streets and clean sidewalks same as Class 10, plus plowing and de-icing of sidewalks Monday through Saturday, flush walks once (1) each week
20	<u>Downtown Alleys</u> Service alleys or clean by hand twice (2) each week.
30	<u>Business, Commercial, and Primary Thoroughfares and Outlying Business Districts Without Special Services</u> Service streets twice (2) weekly
40	<u>Business Districts (Outlying) With Special Services</u> Service streets five (5) times each week.
50	<u>Principal Residential Streets</u> Service streets once (1) weekly January-May and September-December. Every two (2) weeks June, July, and August.
60	<u>Residential Streets</u> Service streets approximately ten (10) times each season
65	<u>Unimproved Residential Streets</u> Service streets approximately four (4) times each season.
70	<u>Alleys - Outside Downtown District</u> Service alleys by motor sweep or clean by hand approximately ten (10) times each season.
71	<u>Alleys - Outside Downtown District With Special Services</u> Service alleys by motor sweep or clean by hand approximately ten (10) times each season, plus special clean up.

MISCELLANEOUS

Street Cleaning Services including cleaning, sprinkling, sweeping, hand brooming (where applicable), removing snow, ice, leaves, dead animals and other debris, and other services performed in maintaining the streets and public property in a safe and sanitary condition as outlined above (53.01).

The number of cleanings listed above for each class are approximate and may vary depending on weather, equipment, and staffing.

The hand-cleaning crews are assigned to remove any heavy dirt that the street sweepers cannot remove on any class street (as needed).

The Services above include leaf removal scheduled with the City of Akron leaf removal program, as applicable.

The Services above include snow and ice control with the City of Akron snow and ice control program, as applicable.

**CITY OF AKRON, OHIO
STREET LIGHTING ASSESSMENT CLASSIFICATIONS
2022**

A description of the street lighting in each class is summarized, as follows:

<u>CLASS</u>	<u>DESCRIPTION OF CLASSIFICATION AND SERVICE</u>
001 <u>2</u>	Underground service "UNGRD" consisting of steel poles (round tapered or square tapered) with luminaries mounted at 25 feet to 35 feet above ground with an average maintained illumination on the pavement in foot-candles "FC" as indicated.
002 <u>OVHD. 2.0 F.C to 4.0 F.C</u>	Overhead service "OVHD" consisting of round steel or wood poles with luminaries mounted at 25 feet to 30 feet above ground with an average maintained illumination on the pavement in foot-candles "FC" as indicated.
003 <u>UNGRD. 1.2 FC to 2.0 F.C</u>	Underground service "UNGRD" consisting of steel poles (round tapered or square tapered) with luminaries mounted at 25 feet to 35 feet above ground with an average maintained illumination on the pavement in foot-candles "FC" as indicated.
004 <u>OVHD. 1.2 F.C to 2.0 F.C</u>	Overhead service "OVHD" consisting of round steel or wood poles with luminaries mounted at 25 feet to 30 feet above ground with an average maintained illumination on the pavement in foot-candles "FC" as indicated.
005 <u>UNGRD. 0.9 FC to 1.2 F.C</u>	Underground service "UNGRD" consisting of steel poles (round tapered or square tapered) with luminaries mounted at 25 feet to 35 feet above ground with an average maintained illumination on the pavement in foot-candles "FC" as indicated.
006 <u>OVHD. 0.9 F.C to 1.2 F.C</u>	Overhead service "OVHD" consisting of round steel or wood poles with luminaries mounted at 25 feet to 30 feet above ground with an average maintained illumination on the pavement in foot-candles "FC" as indicated.
007 <u>UNGRD. 0.6 FC to 0.9 F.C</u>	Underground service "UNGRD" consisting of steel poles (round tapered or square tapered) with luminaries mounted at 25 feet to 35 feet above ground with an average maintained illumination on the pavement in foot-candles "FC" as indicated.
008 <u>OVHD. 0.6 F.C to 0.9 F.C</u>	Overhead service "OVHD" consisting of round steel or wood poles with luminaries mounted at 25 feet to 30 feet above ground with an average maintained illumination on the pavement in foot-candles "FC" as indicated.
009 <u>UNGRD. 0.3 FC to 0.6 F.C</u>	Underground service "UNGRD" consisting of steel poles (round tapered or square tapered) with luminaries mounted at 25 feet to 35 feet above ground with an average maintained illumination on the pavement in foot-candles "FC" as indicated.
010 <u>OVHD. 0.3 F.C to 0.6 F.C</u>	Overhead service "OVHD" consisting of round steel or wood poles with luminaries mounted at 25 feet to 30 feet above ground with an average maintained illumination on the pavement in foot-candles "FC" as indicated.
011 <u>UNGRD. Post Top 0.3 FC to 0.6 F.C</u>	Underground service "UNGRD" consisting of steel or fiberglass poles with luminaries mounted at 10 feet to 16 feet above ground with an average maintained illumination on the pavement in foot-candles "FC" as indicated.
012 <u>UNGRD. Post Top 0.2 FC to 0.3 F.C</u>	Underground service "UNGRD" consisting of steel or fiberglass poles with luminaries mounted at 10 feet to 16 feet above ground with an average maintained illumination on the pavement in foot-candles "FC" as indicated.
013 <u>OVHD. Alleys 0.2 F.C to 0.3 F.C</u>	Overhead service "OVHD" consisting of round steel or wood poles with luminaries mounted at 25 feet to 30 feet above ground with an average maintained illumination on the pavement in foot-candles "FC" as indicated.
014 <u>Parking Lot Lighting 1.0 FC to 2.0 FC</u>	Underground service consisting of steel or wood poles with luminaries mounted at 25 feet to 60 feet above ground with an averaged maintained illumination on the pavement in foot-candles "FC" as indicated. Parking lot lighting for City owned parking lots serving business districts.

MISCELLANEOUS

The street lighting classes with underground service are indicated by "UNGRD" and those with overhead service are indicated by "OVHD". The street lights with underground service consist of steel poles (round tapered or square tapered) with luminaries mounted at 25' to 35' and the underground post tops are steel or fiberglass poles with the luminaries mounted at 10' to 16'. The street lights with overhead service consist of round steel or wood poles with luminaries mounted at 25' to 30'. The parking lot lighting classification is for City-owned parking lots servicing business districts. All of these units are fed from underground services with luminaries mounted at 25' to 65' on wood or steel poles. The illumination level listed for each class is the average maintained illumination on the pavement in foot-candles (F.C.)

NOTICE TO PROPERTY OWNERS OF SPECIAL ASSESSMENTS

(To be served on property owners whose estimated assessments are greater than \$500)

TO:

You are hereby notified that on _____, 2022, the Council of the City of Akron, Ohio, adopted Resolution No. ____-2022, declaring it necessary to improve certain streets in the City, between certain termini, by providing street-cleaning services and street lighting.

LOCATION AND TYPE OF IMPROVEMENT

The resolution declares it necessary to improve (a) by providing street-cleaning services (the "Street-Cleaning Improvement") for calendar year 2022 for the streets listed on the list of streets (the "Street-Cleaning List") on file with the Clerk of Council between the termini shown on the Street-Cleaning List and (b) by providing street lighting (the "Street Lighting Improvement") for calendar year 2022 for the streets listed on the list of streets (the "Street Lighting List") on file with the Clerk of Council between the termini shown on the Street Lighting List.

DIVISION OF COSTS BETWEEN CITY AND PROPERTY OWNERS

Street-Cleaning Improvement

The City will pay a portion of the cost of the Street-Cleaning Improvement equal to 2% of the total cost of the Street-Cleaning Improvement, plus the cost of intersections.

The balance of the cost of the Street-Cleaning Improvement will be assessed as follows:

- (1) the costs will be assessed by the front foot on the property bounding and abutting on the Street-Cleaning Improvement between the termini set forth on the Street-Cleaning List, except for those lots and lands described on Exhibit A to the resolution; and
- (2) the costs will be assessed in proportion to the benefits that may result from the Street-Cleaning Improvement upon the property described on Exhibit A to the resolution.

The assessed portion will include interest on any securities issued in anticipation of the collection of special assessments.

Street Lighting Improvement

The City will pay a portion of the cost of the Street Lighting Improvement equal to 2% of the total cost of the Street Lighting Improvement, plus the cost of intersections

The balance of the cost of the Street Lighting Improvement will be assessed as follows:

- (1) the costs will be assessed by the front foot of the property bounding and abutting on the Street Lighting Improvement between the termini set forth on the Street-Cleaning List, except for those lots and lands described on Exhibit B to the resolution; and

- (2) the costs will be assessed in proportion to the benefits that may result from the Street Lighting Improvement upon the property described on Exhibit B to the resolution.

The assessed portion will include interest on any securities issued in anticipation of the collection of special assessments.

PLANS AND ESTIMATED SPECIAL ASSESSMENTS AVAILABLE FOR INSPECTION

The resolution approves the plans, specifications and profiles of the Street-Cleaning Improvement and the Street Lighting Improvement and the estimate of cost of each improvement which were prepared by the City Engineer. Those plans, specifications, profiles and cost estimate and the Street-Cleaning List and the Street Lighting List are now on file in the office of the Clerk of Council. The estimated special assessments for the Street-Cleaning Improvement and the Street Lighting Improvement, based on the cost estimate, are now on file in the office of the City Assessor. The plans, specifications, profiles, cost estimate and estimated assessments, the Street-Cleaning List and the Street Lighting List are available for inspection by any interested person.

OBJECTIONS

Property owners may file objections to the special assessments, or to the amount or apportionment of those special assessments. Those objections must be filed in writing in the office of the Clerk of Council at 166 South High Street, Room 301, Akron, Ohio 44308, within two weeks from the date of completion of the service of this notice. Completion of notice occurs when all property owners have been duly notified in accordance with law. In order to ensure that your objection is timely filed, you should file your objection with the Clerk of Council within two weeks of the receipt of this notice. If written objections are filed, an Assessment Equalization Board will hold a public hearing and consider those objections.

By order of the Council of the City of Akron.

Sara Biviano, Clerk of Council

ADDITIONAL INFORMATION

The City Council may consider the ordinance levying the special assessments before the improvement is commenced or completed. Special assessments, including interest at the rate borne by any securities issued in anticipation of the collection of those special assessments, will be collected in two semiannual payments representing one annual installment.

If you have questions concerning:

Special assessments, call the CITY ASSESSOR at 330-375-2484.

The improvement project, call the PUBLIC WORKS DIVISION at 330-375-2831.

Filing written objections, call the CLERK OF COUNCIL at 330-375-2256.

Summary Resolution No. 103-2022 passed by Akron City Council April 25, 2022, declaring it necessary to improve certain streets in the City, between certain termini, by providing street-cleaning services and street lighting, all together with necessary appurtenances. The Resolution approves the plans, specifications, profiles, and cost estimate for the improvement; determines to assess a portion of the cost of the improvement against property benefited by the improvement; authorizes the preparation, filing and notification to property owners of the special assessment for the improvement; provides for the appointment of an assessment equalization board if objections are filed; and provides for the method for payment of the special assessments. The resolution was enacted as an emergency measure and went into effect upon its adoption.

By: Sara Biviano, Clerk of Council

This summary is being published pursuant to Section 38 of the City Charter. The complete text of this Ordinance is available in the office of the Clerk of Council.
